For Immediate Release:

The New EV Line of John Bunn® Respiratory Products by Graham-Field

March 6, 2006 • Atlanta, GA:

Graham-Field Health Products is pleased to introduce the new EV line of respiratory products by John Bunn®. The EV line, designed for single user, *everyday* use, has everyday value pricing.

JB0112-014
Vacutec™ EV

JB0112-061
Neb-u-Lite® EV

The Vacutec EV Aspirator, above left, features an easy-to-read gauge, easy-to-turn flow regulator knob, easy-to-listen-to quiet operation, and automatic shutoff. The Vacutec EV meets the requirements of HCPCS Code E0600.

The Neb-u-Lite EV Compressor Nebulizer, above right, features a reliable, piston-driven compressor and quiet operation. Its small footprint and light weight make it extremely portable. The Neb-u-Lite EV meets the requirements of HCPCS Code E0570.

GF Health Products, Inc., headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care and acute care markets. Its products include respiratory products, manual and power wheelchairs, homecare and long-term care beds, patient aids, diagnostics and specialty seating products.

Graham-Field has manufacturing facilities located in Fond du Lac, WI; Central Falls, RI; Indonesia, Taiwan and China. Graham-Field's name brand products include John Bunn, Everest & Jennings, Grafcó, Labtron and Lumex.

GF, Graham-Field, John Bunn and Neb-u-Lite are registered trademarks; and Vacutec is a trademark, of GF Health Products, Inc.
