**For Immediate Release:**

**Graham-Field Introduces the Lumex® HybridLX Rollator Transport Chair**

**March 18, 2009 • Atlanta, GA:**

Graham-Field is proud to introduce the **Lumex® HybridLX Rollator Transport Chair**, the innovative, practical rollator that combines the functions of a wheeled walker and a transport chair into one lightweight design. Features include:

- Hybrid concept - designed to be used primarily as a rollator, while transforming easily into a transport chair with removable, length-adjustable footrests, when user needs a short rest
- Mobility - durable aluminum frame weighs only 22 lb. including footrests, making it easy for users to maneuver
- Compact design - packs down easily for convenient transport and storage; easy, quick, tool-free assembly
- Easy-to-use handbrakes allow either intermittent or indefinite braking when used as rollator or transport chair
- Flexible, soft, black polyester backrest and 18" wide mesh seat provide comfortable rest for user
- Sturdy 8" wheels for easy rolling both indoor and out
- Convenient storage pouch for personal items
- Designed to meet the requirements of HCPCS Codes E0143 and E0156
- Warranty: 3 years on frame, 1 year on other components
- Frame colors: Titanium or Majestic Blue  
Optional carry bag available

Graham-Field Health Products, Inc., headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care, primary care, and acute care markets. Its products include respiratory products, medical/surgical products, diagnostics, patient room products, homecare and long-term care beds, manual and power wheelchairs, and specialty seating products.

Graham-Field and Lumex are registered trademarks of GF Health Products, Inc.
