For Immediate Release:

The New Nano Line of John Bunn® Compressor Nebulizers by Graham-Field

March 6, 2006 • Atlanta, GA:

Graham-Field Health Products is pleased to introduce the travel-friendly, compact **Nano** line of compressor nebulizers by John Bunn®, the premier brand in respiratory products. With their small footprint, quiet operation, and versatile mobility, these nebulizers can go wherever you go! Both Nano nebulizers may be used with the AC power cord, an optional AC car adapter, or an optional battery pack.

The Nano-Neb, above left, features a reliable, piston-driven compressor and quiet operation. The Nano-Neb meets the requirements of HCPCS Code E0570 or E0571.

The Nano-Sonic, above right, features virtually silent operation, thanks to its ultrasonic nebulization. The Nano-Sonic meets the requirements of HCPCS Code E0570.

GF Health Products, Inc., headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care and acute care markets. Its products include respiratory products, manual and power wheelchairs, homecare and long-term care beds, patient aids, diagnostics and specialty seating products.

Graham-Field has manufacturing facilities located in Fond du Lac, WI; Central Falls, RI; Indonesia, Taiwan and China. Graham-Field's name brand products include John Bunn, Everest & Jennings, Grafcu, Labtron and Lumex.

GF, Graham-Field, and John Bunn, are registered trademarks; and Nano-Neb and Nano-Sonic are trademarks, of GF Health Products, Inc.
