For Immediate Release:
Graham-Field Welcomes Nancy Prossick

February 23, 2007 • Atlanta, GA:

Graham-Field Health Products announces with great pleasure that Nancy Prossick has joined its family as Senior Product Manager for homecare beds, lifts and slings, and pressure management products.

Nancy has had prior career product management roles at Coloplast, where she was responsible for disposable incontinence products; launching their mastectomy product line; moisturizers and barriers for incontinent skin; and managing and facilitating their skin care focus groups for customer retention, relationship building, and product development. At Hill-Rom, Nancy managed headwalls and accessories in the architectural division. At DocuSys, Nancy was the Marketing Manager for critical care products. She is a graduate of the University of Florida. Nancy's appointment is part of Graham-Field's ongoing dedication to tailoring its Marketing resources to the service and support of its customers.

Graham-Field Health Products, headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care, primary care and acute care markets. Its products include medical-surgical products, diagnostics, patient room products, homecare and long-term care beds, respiratory products, manual and power wheelchairs, and specialty seating products.

Graham-Field Health Products has manufacturing facilities located in Fond du Lac, WI; Central Falls, RI; Indonesia, Taiwan and China. Graham-Field Health Products' name brand products include Grafcu, Labtron, Lumex, Everest & Jennings and John Bunn.

GF and Graham-Field are registered trademarks of GF Health Products, Inc.
