**For Immediate Release:
 Graham-Field Introduces Grafc® Plasticware Line**

July 25, 2008 • Atlanta, GA:

Graham-Field is proud to introduce the new *latex-free* plasticware line by Grafc.

The mauve Bedpan, Rectangular Tray, Tumbler, Emesis Basin, and white Specimen Collection Bowl, all constructed of polypropylene, are stackable and designed to maximize storage by nesting tightly together.

The blue polypropylene Denture Cup with clear polyethylene snap-on lid has areas on the lid for patient name and room to be written.

All of the above are sold by the case.

Ideal for Homecare use: The Hanging Fracture Bedpan (polypropylene, with built-in handle and plastic guard to prevent spills) and Hanging Male Urinal (translucent, lightweight polyethylene with easy-to-grip handle and attached lid) are sold as eaches and individually bagged.

Graham-Field, headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care, primary care, and acute care markets. Its products include medical/surgical products, diagnostics, patient room products, homecare and long-term care beds, respiratory products, manual and power wheelchairs, and specialty seating products.

Graham-Field has manufacturing facilities located in Fond du Lac, WI; Central Falls, RI; East Rutherford, NJ; Indonesia; Taiwan and China. Graham-Field's name brands include Basic American Medical Products®, Everest & Jennings®, Grafc®, John Bunn®, Labtron®, Lumex® and Lumiscope®.

GF, Graham-Field, Basic American Medical Products, Everest & Jennings, Grafc, John Bunn, Labtron, Lumex and Lumiscope are registered trademarks of GF Health Products, Inc.
