For Immediate Release:

Graham-Field's 2007 International Medical Equipment Workshop Grants Certificates of Completion to Twelve Medical Supply Dealers

October 15, 2007 • Atlanta, GA:

On October 5, 2007, twelve international medical supply dealers were awarded Certificates of Completion after attending **Graham-Field's 2007 International Medical Equipment Workshop**. The workshop's educational seminars, held at the Orange County Convention Center in Orlando, Florida, featured presentations on E&J[®] manual and power wheelchairs, Lumex[®] specialty seating and patient aids, Basic American[®] beds, John Bunn[®] respiratory products, Labtron[®] diagnostic instruments, and Grafc[®] medical/surgical products. The twelve dealers, shown below with workshop leaders, joined their colleagues from eight countries to discuss the impact of Graham-Field's innovative products within their local healthcare markets.

Graham-Field Health Products, headquartered in Atlanta, GA, is a major manufacturer and distributor of healthcare products for the homecare, long-term care, primary care, and acute care markets. Its products include manual and power wheelchairs, specialty seating, homecare and long-term care beds, respiratory products, diagnostics, medical/surgical products, and patient room products.

Graham-Field Health Products has manufacturing facilities located in Fond du Lac, WI; Central Falls, RI; Indonesia, Taiwan, and China. Graham-Field Health Products' name brand products include Everest & Jennings, Lumex, John Bunn, Labtron, and Grafc.

GF, Graham-Field, Everest & Jennings, E&J, Lumex, John Bunn, Labtron, and Grafc are registered trademarks of GF Health Products, Inc.
