**For Immediate Release:**

**Basic American Medical Products is proud to introduce the**  
***Zenith 9000 Long Term Care Bed.***

**July 12, 2011 • Atlanta, GA:**

Basic American Medical Products, a division of GF Health Products, Inc., is proud to introduce the ***Zenith 9000 Long Term Care Bed, designed and manufactured in the USA*** specifically for patient comfort, caregiver simplicity, and efficient operation. Standard features include:

- Extensive deck height range: 7" low to 30" high
- 600 lb maximum weight capacity: strong, no-sag sleep surface with sturdy cross braces
- Synchronized motors keep the bed deck level at all times for resident comfort
- Intuitive two-pedal locking system assures easy long-distance visual check that bed is locked. Pedal locks are readily accessible at ALL bed heights, even in the lowest position
- Sealed ball bearings ensure maintenance-free, continuous, silent operation
- SilverSolutions™ paint provides antimicrobial surface protection
- ***Unrestricted*** UL Listing
- 5 year limited warranty on motors and control box (longest motor warranty in the industry)

GF Health Products, Inc., headquartered in Atlanta, Georgia, is a major manufacturer and distributor of healthcare products for the homecare, long term care, primary care, and acute care markets. Its products include diagnostics, medical/surgical products, respiratory products, patient room products, manual and power wheelchairs, homecare and long term care beds, and specialty seating. Its brands include Lumex®, Everest & Jennings®, Grafco®, Labtron®, John Bunn®, and Lumiscope®.
